

jasmina ajdini

Date of birth:

18th January 1997

Citizenship:

Slovenian

A highly motivated first-year MA Graphic and Interactive Communications student from Slovenia. The undergraduate study programme has provided me with great knowledge in managing technological processes in graphics and media. I am continuing to deepen acquired education with working on projects from which I gained a lot of communication, project management and designing skills.

education

2019–

MA Graphic and Interactive Communications, Faculty of Natural Sciences and Engineering, University of Ljubljana, Slovenia.

2016–2019

BA Graphic and Interactive Communications, Faculty of Natural Sciences and Engineering, University of Ljubljana, Slovenia.

experiences

Student job**2019–**

Assistant at Artiko, a company for scanning, printing and graphic design and framing. For over a year now, I have been working with customers, designing graphic materials, printing on large-format inkjet printers, making reproductions (Giclée) and learning about colour management.

Selected class projects**2018–2020**

- Designing marketing material for Basketball Federation of Slovenia
- Designing and technical executing of EMUI Theme for Huawei.
- Organising and creating a visual identity for exhibition for the University of Ljubljana in honour of their 100th anniversary.
- Designing jewellery packaging for Museum and Galleries of Ljubljana
- Preparing and designing a marketing strategy for illy's distributor Espresso.
- Redesigning the website for Carinthia's Academy of Sciences and Art.
