Experiences

9. 2021–Current

Head UX/UI designer · @Envoo

Designing SaaS products, e-commerce sites, websites and mobile apps for companies with a national and international reputation. Among my responsibilities are managing stakeholders and mentoring junior designers.

6. 2020–8. 2021

Generalist UX designer · @Epicoro studio

I had the opportunity to gain experience in projects of different scales. I worked extensively with new businesses, designing their digital branding, from idea to implementation, as well as working as a main designer for ERP system development.

2. 2021–9. 2021

Graphic designer · @Hisense Europe Group d.d.

I was responsible for preparing the layouts and graphics for a portal used by European employees and for the creation and animation of more than 30 presentations related to brand representation.

2. 2019–6. 2020

Graphic designer and print assistant · @Artiko

I worked independently on projects for high-profile clients (primarily illustrators, publishing houses, and galleries), as well as valuable art pieces. In addition to operating printers and colour management software, I also did graphic design work in Adobe Photoshop and InDesign on a daily basis.

Achievements

(2020) Selected as one of the top 8 out of 130 applicants for a workshop at design Studio Ljudje.

Received a title “Best student of 2019” from the Faculty of Natural Sciences and Engineering.

(2019) Selected as one of 12 students for international Honours Class in Ghent, Belgium, where I received a Certificate in flexible packaging.
